Camp Woof Policies

- All dogs must be spayed or neutered once they reach seven (7) months of age.
- All dogs should be in general good health, at least three (3) of age, and must have completed all series of shots prior to registering with Camp Woof. Dogs must not have been exposed to any illnesses within a thirty (30) day period prior to a visit at Camp Woof. We must have a copy of your dog's/dogs' most recent vaccination records prior to your dog(s) attending daycare or boarding.
- All dogs must be free of fleas and ticks.
- When boarding your dog(s), we ask that you bring your dog's/dogs' usual food to minimize diet disruptions. Otherwise a \$2/meal fee will be charged for our food.

- All dogs are required to attend a day of daycare before a boarding reservation can be made. This allows us to determine if your dog's/dogs' personality/personalities and behavior are compatible with our free-roaming playroom environment.
- Camp Woof reserves the right to limit your dog's/dogs' playtime if he/she appears to be overly tired or over-stimulated, and/or exhibit any other behavior(s) that might act as a detriment to your dog's/dogs' health and well-being or that of any other dog staying at Camp Woof. Should inappropriate behavior occur, the Camp Woof staff shall manage that behavior as deemed necessary.
- Camp Woof reserves the right to refuse service to any customer or dog(s) at any time for any reason or to restrict any pet from daycare and/or boarding for any reason. Daycare packages, boarding packages, bath packages, and brush-out packages are non-refundable and are not transferable.

- Boarding requires a reservation. You may pick up or drop off your dog(s) at any time between 7am and 7:30pm.
- We note the time you drop off your dog(s) at check-in. On your dog's/dogs' check-out day, you have four (4) hours after the time you dropped off your dog(s) to pick up your dog(s) before you're assessed a late pick-up charge equivalent to one (1) day of daycare. (Example: if you drop Spike off at 10am, you have until 2pm to pick him up before a day of daycare will be added to your bill.)
- Daycare fees cover 7am – 7:30pm. If you do not pick up your dog(s) by 7:30pm, we will provide overnight boarding at your expense.
- A 24-hour cancellation notice is required for non-holiday boarding reservations. If we do not receive a 24-hour notice, then one night's boarding fee will be assessed.
- Holiday boarding reservations require 72-hour cancellation notice. If we do not receive a 72-hour notice, then one night's boarding fee will be assessed. Once a holiday reservation has begun, a fee of \$10/night (per dog) will be assessed if you end up shortening the reservation.
- Prior to your dog(s) leaving our facility, all daycare/boarding/bath and/or incidental charges incurred during your dog's/dogs' visit must be paid in full.

- A credit card number is necessary in order to enroll your dog(s) in daycare or boarding. Your credit card will be charged in the event your dog(s) requires medical attention or if we receive a non-sufficient funds check. Should the occur, you would be asked to pay by cash or credit card for future services.

- Camp Woof reserves the right to change our policies at any time without prior notice.

By signing below, I understand and agree to abide by any and all policies outlined in this form.
